The April 2020 Nigerian Capital Market Service Report

Nigerian Equities [Market](#) closed the month of April 2020 in green as market witnessed bargain hunting during the month under review. The NSEASI inches up by **+8.08%** as against **-18.75%** loss recorded in the month of March 2020 while the NASD USI closed northwards with **+1.16%** gain recorded at the end of the month under review as against **-1.10%** loss in March 2020. The gain recorded in the NASD OTC Market erased the loss recorded in the previous month.

YTD, the NSEASI has dipped by **-14.24%** while the NASD USI inches up by **+0.46%** so far in the year.

On market development, regulation and investors protection, the Securities and Exchange Commission [published the guidelines for the Issuance Of Fixed Income Securities By Statutory Bodies In WASRA Member Countries](#). This move is expected to help achieve the objective of fostering Capital Market integration in West Africa.

Also, the Nigerian Stock Exchange [has proposed an amendment to its listing requirements](#). The amendment will see The Exchange introduce a rule that will require Issuers to make shares available for trading on the listing day and also seek to provide a clearer description of Listing by Introduction.

Changes Due to COVID-19

Virtual Meetings

With COVID-19 being declared a global pandemic by the World Health Organization, constituted authorities, health experts and Centers for Disease Control (CDCs) have had to preach about hygiene and social distancing to reduce the spread of the virus.

Businesses and its regulators also had to begin to do things differently in compliance with the guidance from the health regulators. This, in a nutshell, brought about a new way to how Annual General Meetings are being held and conducted.

The Corporate Affairs Commission (CAC) in March 2020 issued guidelines for the conduct of AGMs using proxies. The details of the guidelines can be found [here](#).

[GTBank Plc](#) was the first listed entity to hold its AGM following the guidelines issued by the CAC. Other entities followed suit as records showed that nine (9) companies held their AGMs virtually in the month of April 2020.

S/N	Names of Company	AGM Date
1	Africa Prudential Plc	28-Apr-20
2	United Capital Plc	28-Apr-20

Free Float Deficiencies

Companies listed on The Exchange must maintain a minimum free float for the set standards under which they are listed in order to ensure that there is an orderly and liquid market in their securities.

The free float requirement for companies on the Main Board is 20% and 15% for ASEM companies. The Exchange has identified three companies that have free float deficiencies.

These companies applied for waivers from the Quotations Committee of Management specifically provided compliance plans with tentative timelines to support their requests.

The Quotations Committee of Management considered and approved an extended timeframe for the companies to regain compliance with the listing requirement. The companies are however required to also provide quarterly disclosure reports to The Exchange detailing their level of implementation of the compliance plans.

ADVICE TO USERS OF THIS REPORT

You are given the limited right to print this report and to distribute it by any means. You can print out pages and use them in your private discussion groups as long as you acknowledge PROSHARE and you do not alter the report in any way. Most importantly, you should not charge for it.

Stock trading is inherently risky and you agree to assume complete and full responsibility for the outcomes of all trading decisions that you make, including but not limited to loss of capital. None of the stock trading calls made by Proshare, its analyst board, employees, contributing partners and companies associated with it should be construed as an offer to buy or sell securities, nor advice to do so. Proshare is not responsible for any errors, omissions or representations on any of the pages in this report. Proshare does not endorse in anyway any advertisers or firm(s) used as case studies in the report. Please verify the veracity of all information on your own before undertaking any alliance.

Our opinions and analyses are based on sources believed to be reliable and are written in good faith, but no representation or warranty, expressed or implied, is made as to their accuracy or completeness. The information in this report is updated from time to time. Proshare however excludes any warranties (whether expressed or implied), as to the quality, accuracy, efficacy, completeness, performance, fitness or any of the contents of the report, including (but not limited) to any comments, feedback, interviews, articles reproduced and advertisements contained in the report.

All information contained in our report or on our website should be independently verified with the companies mentioned.

The editor and publisher are not responsible for errors or omissions. You should consult a qualified broker or other financial advisor prior to making any actual investment or trading decisions. You agree to not make actual stock trades based on comments in the report, nor on any techniques presented nor discussed in this report or any other form of information presentation. All information is for educational and informational use only. You agree to consult with a registered investment advisor, which we are not, prior to making any trading decision of any kind. Hypothetical or simulated performance results have certain inherent limitations. Unlike an actual performance record, simulated results do not represent actual trading. Since the trades have not been executed, the results may have under or over compensated for the impact. No representation is being made that any account will or is likely to achieve profits or losses similar to those shown in the report.

Proshare receives no compensation of any kind from any companies that may be mentioned in our reports or on our web site. Any opinions expressed are subject to change without notice. Owners, employees and writers may hold positions in the securities that are discussed in our report or on our web site. Any reference to a trade mentioned in the report or website, e-mail, publication or material is hypothetical and is not an actual trade. Hypothetical performances and results do not represent actual cost of a trade.

We encourage all investors to use the information in the report as a resource only to further their own research on all featured companies, stocks, sectors, markets and information presented in the report and on our site.

Nothing published in this report and on our site should be considered as investment advice. Any prediction made on the direction of the stock market or on the direction of individual stocks may prove to be incorrect. Readers/Users/visitors are expected to refer to other investment resources to verify the accuracy of the data published in the report on their own. Neither Proshare nor its principals, agents, associates, employees or licensed stockbrokers, are licensed to provide investment advice through this publication.

No materials in the report, either on behalf of Proshare, or any participant in The Analyst Network should be taken as investment advice directly, indirectly, implicitly, or in any manner whatsoever, including but not limited to trading of stocks on a short term or long term basis, or trading of any financial instruments whatsoever. Past Performance Is Not Indicative of Future Returns. All analyst commentary provided in this report is provided for information purposes only. This information is NOT a recommendation or solicitation to buy or sell any securities. Your use of this and all information contained in this report is governed by this Terms and Conditions of Use. This material is based upon information that we consider reliable, but we do not represent that it is accurate or complete, and that it should be relied upon, as such.

You should not rely solely on the Information in making any investment. Rather, you should use the Information only as a starting point for doing additional independent research in order to allow you to form your own opinion regarding investments. By using this report including any software and content contained therein, you agree that use of the Service is entirely at your own risk. Any information, opinions, advice or offers posted

by any person or entity logged in to the Proshare website or any of its associated sites is to be construed as public conversation only. Proshare makes no warranties and gives no assurances regarding the truth, timeliness, reliability, or good faith of any material posted at Proshare.

Proshare Nigeria is the country's premier investor relations/education and analyst services platform providing a critical role in ensuring that market confidence & safety is enshrined in the conduct of/and market reliance on the information and activities of firms quoted on the Nigerian Stock Exchange; as a wealth creator for the investing public. In delivering this service, the firm works with and through organisations with distinct service competencies in stock investment analysis, investor tools and solutions and capital market practices; all designed to provide investors with a credible resource for intelligent decision making.

The firm takes extra steps to ensure that information provided by it are accurate, fact checked and validated for compliance with internationally acceptable standards and practices.
